

Sleuth You start knowing how many steps away a Minion is and a Demon that is not in-play.

You start knowing a good player & character. If you whisper to them, they die that night. Babysitter

Enchantress Each night\*, each player you whispered to today can't die tonight.

Phantomographer Each night\*, learn how many private whispers included any evil players.

Scaredy-cat Each night\*, if you whispered to an evil player today, you die.

Stoic Each night\*, if you didn't whisper today, choose a player: you learn their character.

Traitor Each night\*, the 1st good player(s) you whispered to today dies. If a player died this way, no other players can die tonight.

Each night\*, you may choose a player: if their alignment is the same as yours, they die.

Informer

Bartender

Mystic Each day, you may privately ask the Storyteller whether a private whisper contains a good player.

Once per game, during the day, you may privately ask the Storyteller how many evil players are whispering.

A Townsfolk is drunk, even while you're dead. Each night\*, you learn if you whispered to them today.

Once per game, when a good player is going to die, instead they might not. Doctor

Savior The 1st Townsfolk(s) you whispered to can't die at night.

Arbiter If your neighbors never whisper to each other, your good neighbors can't die.

You start knowing a player. Each night\*, if you didn't whisper to that player today, you might die. Consort

**OUTSIDERS** 

Altruist Each night\*, if no players died tonight, you might die.

Once per game, at night\*, if you whispered to another player today, a player might die. Ascetic

**MINIONS** 

Sicario Each night\*, you may choose a player: they die. If a player dies, lose this ability & the Demon has no ability tonight.

**Effigy** Each night\*, choose yes or no: if you choose yes, you die. [+1 Outsider]

Doppelgänger Each night, you may choose to swap characters with the Demon. Lose this ability when only 3 players are alive.

Plaguebringer You start knowing a player who is poisoned. Each time the poisoned player whispers, the poison moves to that player, if good.

**DEMONS** 

If you die, swap characters with the 1st player(s) you whispered to today & they become evil. Each night\*, you may die. Azazel

Each night\*, choose any players you whispered to today: they die. If you didn't whisper today: you win. Seductress

Moloch Each night\*, choose a player: they die. Each night\*, the 1st good player(s) you whispered to today becomes evil. [No minions]

Blacktongue Each night\*, choose 2 players: the first dies. If you whispered today to any players you chose last night, they die.
